

Department 6 4-H CLUBS 4-H EXHIBIT, DEMONSTRATION & CONTEST GUIDELINES

The Missouri 4-H Center for Youth Development is under the direction of University of Missouri Extension

"Learning By Doing" is the basis of 4-H work, and each year thousands of young Missourians between the ages of 8 and 18 do just that. 4-H members make the items displayed in the Missouri State Fair 4-H Building. **The Missouri State Fair provides a showcase for the skills and knowledge that members have gained through their 4-H experiences.**

Besides developing practical skills and knowledge, 4-H members are developing "life skills". Under the leadership of adult volunteers, 4-H members learn to make sound decisions, work cooperatively in groups and develop a sense of self-worth and accomplishment. Missouri 4-H also fosters leadership, as older youth share their talents with younger 4-H members.

We salute all Missouri 4-H members, volunteers and families, and particularly those whose "learning by doing" experiences are represented at the 2024 Missouri State Fair.

ALL ITEMS IN THE 4-H BUILDING HAVE BEEN JUDGED AS COUNTY CHAMPIONS. A SET NUMBER OF BEST OF SHOW PROJECTS WILL BE SELECTED.

SUPERINTENDENTS -

4-H Building - Dustin Oehl and Maria Calvert
(573-882-8835 or 573-882-1441)

State Fair 4-H Livestock - Kelsey Fuller (660-414-6007)

The Missouri State Fair does not guarantee premium money, merchandise, prizes or special awards. Because the State Fair Commission is without constitutional or statutory authority to borrow money for its operation, it reserves the right to prorate premium money because of state budget restraints.

4-H BUILDING GUIDELINES

- Items made by 4-H members should reflect the skills they have learned in their 4-H project, the needs and interests of the 4-H'er, and quality workmanship. Use the 4-H project literature, "Clover", and suggestions listed in this guide for ideas. Any 4-H member of an organized club in a defined delivery mode and who is enrolled in an individual project may exhibit at the state level.
- 4-H members may display only in projects in which they are enrolled in the current 4-H year. Items must be made in the current year and must be the work of the 4-H member submitting the item.
- Items must be of blue-ribbon quality.
- Items are displayed at the risk of the 4-H member. The 4-H staff, Extension Centers and Missouri State Fair are not responsible for loss or damage to items.
- A member is limited to two items and one demonstration in the 4-H Building.
- All 4-H Building items must be registered on the Missouri State Fair voucher computer program. Special instructions and deadlines for the preparation of these vouchers will be provided to 4-H staff.
- The 4-H member's region, county and name should be permanently affixed to the following items. These items will be accepted from any project.
 - *Notebook – Youth should select 1 page that represents their notebook. The page should be in a plastic sleeve to protect it while on display. No exhibits to be displayed in binders, folders, or notebooks will be accepted.
 - *Posters – no larger than 14" X 22", flat. No more than 6 posters per county. Counties may request an extension on this limit to be approved by the building superintendents.
 - *Photo albums - No projects displayed in photo albums will be accepted.
 - *Cookbooks - Youth should select 1 page that represents their cookbook. The page should be in a plastic sleeve to protect it while on display.
- All exhibits should reflect the educational learning gained from project work. This includes notebook pages, file cards, photo displays, posters, or educational displays. Be sure to mark the exhibit tag with Project number and description. Size restrictions may apply. See additional information in Rule #9. Photographs entered in project areas besides photography should follow the mounting and editing guidelines of photography exhibits listed on page 100.

- Because of display space, available cases and number of exhibits in certain projects, dimension criteria is specified. Items which do not comply with size or other specifications will not be displayed or receive a ribbon. There should be no posters, or patterns attached to projects. For scrapbooks, notebooks, photo albums, and cookbooks made in any project, only one page should be submitted. If more than one page is submitted, the exhibit will be disqualified.

Educational display - Educational displays should not exceed 12 inches in height, 12 inches in depth, and 14 inches in width. Can include three-dimensional items and must be free standing. **(Posters with items taped to them do not qualify as educational displays. Science fair display boards are too large.)**

Working models - These exhibits should show how things actually work (cutaway-sections of motors or other mechanical items) or can be used to help people identify parts, such as those of a motor or engine. Working models should require floor space no larger than 24" x 24".

- Perishable items such as food, vegetables, crops and home grown items will not be returned after the Fair. Perishable items will be discarded throughout the fair when quality has deteriorated. If a decorated cake is made with fondant and the fondant fails, the cake will be removed from display. If an item is no longer suitable for exhibit, it will be removed and the tag with a card stating its removal will be left in its place.
- Fire Hazard Prevention: Any exhibits using batteries, such as circuit boards or robots should not connect the wires to the battery; rather the wires should be taped behind the battery. Another option: Do not attach a battery, but indicate "battery goes here".
- All 4-H Building items must be checked in and out of the 4-H Building by State Fair 4-H personnel during established times. **(No exceptions will be made.) No early removal or checkout of items is permitted unless prior approval is given by the building superintendents.** Items which are not properly checked in or out of the 4-H Building will not be awarded ribbons and/or premiums. 4-H Building staff are not responsible for exhibits that are not properly checked in or out of the building.
- Limited space is available for large exhibits. You must contact the State 4-H office at 573-882-8835 prior to 8/1/24 for approval of large, oversized exhibits. Determination of items to be showcased will be left to the discretion of the 4-H Building Co-Superintendents, based on available space, prior approval, and the safety of fairgoers. Submitting a photograph of the items is encouraged.
- Photographs of items too large or fragile: This is restricted only to large items such as welding projects or large woodworking items like furniture; fragile items such as delicate ceramic work. **It is not intended as a substitute category for bringing or mailing a project.** Photographs of oversized or fragile items will be displayed digitally. Instructions to submit photos will be provided to 4-H professionals.
- All items must have a Missouri State Fair tag securely fastened in a place visible to fairgoers. Remove all county or regional ribbons. **Two identification labels should be securely attached, sewn or safety pinned to each item, 1 on the outside/front of the item and a second one behind, underneath or inside (e.g., textile items such as clothing or knitted items).** Multiple piece exhibits should be fully labeled and connected (Examples: jacket and skirt; rocket and rocket launcher). Each item in a multi-piece exhibit should be fully labeled and numbered to prevent items from being separated. Example: Each item in a 3 piece exhibit would be labeled with a State Fair tag and the notation, 1 of 3, 2 of 3, 3 of 3.
- Counties who mail or ship their items to the State Fair should enclose one printed copy of the State Fair Exhibit List and a digital file on a storage device (e.g., flash drive) with the voucher in the box with the items, and mail one copy separately to: 4-H Superintendent, 4-H Building, Missouri State Fair, 2503 W. 16th St., Sedalia, MO 65301. Use sturdy boxes. **Do not ship cakes or items in glass containers.** All items must be properly tagged and ready for display. Counties may ship no more than five boxes of exhibits and **must enclose CASH to cover the return shipping or mailing costs.**

DEMONSTRATIONS

General and working demonstrations are not judged at the State Fair.

1. Demonstrations must have earned a blue ribbon at a county achievement event and have been selected for State Fair.
2. 4-H Staff must approve demonstrations in 4HOnline as close to July 15 as possible.
3. A member is limited to ONE DEMONSTRATION in the 4-H Building.
4. Team Demonstrations may consist of no more than three (3) members. An exception is made for skits presented in Theatre Arts project. Theatre Arts may consist of no more than seven (7) members. Please refer to specialty contests which may have stricter rules.
5. Demonstrations involving firearms, live animals, open flames or other unusual circumstances must call Maria at 573-882-8835 in the State 4-H Office for pre-approval.
6. Each 4-H member eligible to demonstrate will need to select date preference in 4HOnline. The demonstration schedule is posted on the Missouri 4-H website (<http://mo4h.missouri.edu>) after August 1.
7. Demonstrators must provide their own ingredients, equipment, extension cords and props. A three-prong electric outlet, demonstration table and easel will be provided by the State Fair 4-H Building staff.

4-H General Demonstrations - Sponsor: Missouri 4-H

Number of entries per county: Fifteen (15)

Judging Criteria: Not applicable

Age: Any age 4-H member

Length of time: 5-10 minutes

Project enrollment: May be enrolled in any 4-H project.

Other: General demonstrations are those where the 4-H member shows and tells others how to do something. They are more formal than working demonstrations; therefore, require the use of a microphone.

Working Demonstrations - Sponsor: Missouri 4-H

Number of entries per county: Four (4)

Judging Criteria: Not applicable

Age: Any age 4-H member

Length of time: Approximately 30 minutes
